STOMACH REMEDY

STUDENTS ABOUT THE PRO-GRESSIVES.

# MEANS DESPOTIC ANARCHY

The Becall Is an Obstacle to Efficient Government and Weapon for Malicions Persons

NEW HAVIEN, Conn., May 20-In his fourth lecture on "Some Questions of Modern Gevernment' at Yale Prof. BOUGHT UP A KANSAS TOWN. William H. Taft characterized the form of government advocated by the progressives as "hair tringer" and "leading to anarchy and a despottem of the majority." Frof. Taft's statements were made in connection with his discussion of the recuit of textslative and noministrative officers. He promised to discuss the recall of judictal decisions, which embodies the result of ludges, at a later date.

that II takes away the office from the official," he said, "but that it is an obacte to the efficiency of government. Mon do not administer government feariessly under a government, of which the recall is a part, but administer it so their enemies may have he opportunity to make mulicious atthe purpose of accomplishing some thans. Had men like Washington, Linesin, Jefferson and Madison served and r the result, they would pro-

ernment are mald to be progress!" They are not; instead, this is reter ression; it is going backward; it opting a feature of necessaring at cted years ago.

"Lenders of this movement dwell upon the statement that the mospil have been seized with an almost reli-"PROP." TAFF TALKS TO YALE glous real for cleanliness of govern ment. Aspiration for better things ought to be ridicated by no one, but has sin left us? Are we not all subject to the same, weaknesses that have been recognized for 6,000 years

"Is there not in every line of the impaign speeches, platforms and if rances of the men of the new who the assumption that they have distheir sale feeting in the matter is one of brotherly love!

"The sole thought in all is socially tic-the idea to make the rich portand the poor richer, a loyellng of pr perty holdings. Pitimately this fact will be known."

Hayne Was Sold to O. M. Woods of turies of the famous Claremore Liberal.

LIBERAL, Kas., May 24 -- It but in an interview that he had met with very often that a man acquires switerwhat 0. M. Woods of this city flid through a purchase from Melvin Wheeler a few days ago. The town which changed hands is Dayne, on the The eldection to the recall is not main line of the Rock Island, eight miles east of this place. It has a postoffice, blacksmith shop, two or three general stores and several residences. The little town is in the heart of a fine farming community. It has

> two years ago. Since the purchase Woods owns four hundred lots, or every lot a the city limits. He also owns all the buildings In town, with the exception of small equittes in some of the residences.

grown rapidly since its foundation

Now that he owns the town of a small tablet which proves beyon Hayne, Mr. Woods down't know what doubt that the great Algorian Indiay to do with it. He hought it as an investment as he believes it will grow romained, I cannot yet say. This latered thereases it will grow and increase in value. But he wants to do something to make the growth as rapid as possible and is devising means to make the fittle town attract.
